

Kindy to Year 3

Hi All,

How are we all going this week?
I would love to hear what you have
been doing this week

Are you looking forward to school holidays?
Can you give me some ideas on what to watch on
TV, Foxtel or Netflix?

What is your favourite bible story?
Did you know that Tarooma zoo and the Adelaide
zoo have watching the animal sessions?

Please get Mum or Dad to help you send me an email
Please send me pictures of, your work sheets or photos
or what you are getting up to.

jan.cook01@gmail.com

The Lesson

God is control of Disease

Have you noticed that everything has changed in the last few weeks?
Some stuff has stopped, like some shops, have closed, school has stopped a
week early, and the saddest; so has Sunday school!!!

We are all staying inside and it seems scary to go outside
BUT we know and so does Mum and Dad that when things seem scary, we can
TRUST GOD

Have a listen to a Veggie tales song

<https://www.google.com/search?q=veggie+tales+God+is+bigger+than+the+boogyman&oq=veggie+tales+God+i+than+the+boogyman+&ags=chrome..69i57j0l7.17757j0i8&sourceid=chrome&ie=UTF-8>

No matter how scared we are with what's going on, God is bigger than the boogeyman.

We can be scared because things are not normal but **GOD IS IN CONTROL**. He has been through this all beforeGod knows how to heal it.

The 10 Lepers

Here is a story about Jesus and the 10 Lepers

Leprosy can cause bumps on your skin and stops your legs and arms from working properly. Back in Jesus time leprosy was thought to be very catchy and you could get the disease by touching people.

People who had the disease were sent to their rooms and they couldn't speak to other people. Sometimes people with the disease lived in the same house. They didn't have mobile phones, Zoom, Facebook or TV to stay in touch.

So the story:

One day Jesus and his disciples are walking outside, and ten lepers call out to him from far away. They kept their social distancing, but they were still close enough to talk to Jesus if they yelled! Jesus told them to go to see the priests, and once they did, something amazing happened...

They were healed! The spots on their arms went away!

They could re-join their families!

One of them was so excited he ran back to Jesus and praised him!

Have a look at the story

Some questions ?

Do you feel better now knowing that God will look after you?

Do you know we can pray to God when we are scared ?

Do you think God can heal Adelaide of this virus?

Have a great week!
