I knew
the truth**

Despite always believing in God, **Kyle** was searching to find a way to know if he was saved. He watched videos online, read the Bible and went to a church, but it wasn't until someone showed him the truth of how to be saved that he saw a way for God to prove Himself. After being baptised and filled with the Holy Spirit, Kyle's search was over – he found salvation and a faithful God.

I could
feel safe**

Kyra's childhood was broken and unsafe. When she and her younger brother were adopted by people who believed in God, she began to feel safe. Not only did she have parents to rely on, she also realised she could trust God. When Kyra received the Holy Spirit and spoke in tongues, she knew God had proved himself to her. She knows her family's hope is in the Lord.
